

Lyrics DJ written by Miss Manolita

Strophe 1

Hey mister give me your sound  
Shake your body on the ground  
Gone the way with the beat  
All i want and all i need  
Give me your body and dance with me  
Shake your booty to the beat  
Make it right and not wrong  
Go to the dj all night long.

Take my body with you  
I'm so hot of your boooooom  
feel the rythm with your feet  
all i want and all i need.
