

Lyrics Dance with me written By Miss Manolita

Strophe 1

Dance with me to the melody
take my hand
and you have a chance
to the beat
and jump with your feet
take my body near to you
ohh that's good i love some true
oh come around
i'm so proud
how you dance
for a new chance
you go away
i want to stay
up and down
and you go around

Refrain

Dance with me in the club
Sexy style you are top
touch my Body and see my style
sexy bodies for all the time
Dance with me in the club
Sexy style you are top
touch my body and see my style
sexy bodies for all the time

Strophe 2

Dance with me to the melody
take my hand
and you have a chance
to the beat
and jump with your feet
take my body near to you
ohh that's good i love some true
no stop to dance
and take you chance
deep inside
i feel good allright
go around
up and down
for all the time
we love tonight

Sexy style you are top
touch my body and see my style
sexy bodies for all the time
