

Lyrics Dont leave me written by Miss Manolita

nananana.....

kiss me

touch me

don't leave me alone

Strophe 1

I walk over the bridge alone tonight  
when i look down and see the shadow so bright  
I walk alone and sing the song and i cry  
because i tell you goodbye

I feel me so much alone inside  
Because you were never by my side  
you give me nothing and i feel me alone  
you were my number one

Refrain

Please dont leave me alone oh baby  
touch me kiss me and tell me never goodbye  
please don't hurt me ever again in my life in my life  
in my life

Strophe 2

Take my hand and help me for all the time  
I am so tired and i want to try to fly  
give me power for to be in your Life  
for all the time all the time  
all the time

I wake up in the morning sun  
And what i feel are not your wonderful hands  
baby change your way and come back to me  
because so i am free

Refrain

Please dont leave me alone oh baby  
touch me kiss me and tell me never goodbye  
please don't hurt me ever again in my life in my life  
in my life

Strophe 3

For you it's easy that i love you so much  
But i dream every night of your latest touch  
i want only memory deep inside  
forever and for all the time  
all the time

Every day and night i feel me so sad  
I have so much bad words so deep in my head  
I don't understand that you Leave me  
again oh again  
oh again

Refrain

Please dont leave me alone oh baby  
touch me kiss me and tell me never goodbye  
please don't hurt me ever again in my life in my life  
in my life

Please dont leave me alone oh baby  
touch me kiss me and tell me never goodbye  
please don't hurt me ever again in my life in my life  
in my life

nananana.....

kiss me

touch me

Don't leave me alone
