

Lyrics GOD OF WAR written by Miss Manolita

Strophe 1

Fight for me with your blood  
hold my hand oh thats good.  
rescue me for all the time,  
fight for me you are mine.  
oh your body is so strong,  
so hard for me like a stone.  
oh my God i love your arms,  
oh i love it how you are.

Strophe 2

I want see how you win,  
with your blood on your skin.  
stomp hard on my door,  
take me with you on the floor.  
kill the killers on the way,  
i have ever here to stay.  
with my warrior on my side,  
forever and all the time.

Refrain

Oh God oh God of War,  
oh my God God of War.  
fight for your fatherland,  
go your way all the time.  
you are in your war,  
fight for me how you are.  
fight for your family,  
make it right for to live.

Strophe 3

Oh i see on the way,  
i see you how you pray.  
the peace inside of you,  
fight for love oh thats good.  
when i died in the War,  
you are ever number one.  
also in a time so sad,  
come to me and kiss my head.

Strophe 4

God of War i live for you,  
see my eyes are so blue.  
kiss my lips you are mine,  
God of War anytime.  
go the way of the war,  
that is so how you are.  
your body is so strong,  
and you fight all night long.

with your blood on your skin.  
stomp hard on my door,

with my warrior on my side,  
forever and all the time.
