

Lyrics never your Wife written by Miss Manolita

Hey Darling  
It's fine?  
Yeah thx  
What  
you Leave me?  
Oh my god why.....

When I am waiting for you  
You must to be in my life  
When i am walk to you yeah yeah  
You must to be on my side  
When i am speachless to you  
When i am honest with you yeah yeah

You are never on my side  
You make me pain in my mind  
Whithout you I am better in my life  
Yeah Yeah...  
I must learn to accept this  
That I am never your wife..  
.i am never your wife

You are never on my side  
You make me pain in my mind  
Without you i am better in my life  
I must learn to accept this  
That i am never your wife  
That i am never your wife

I am never your wife
